RE: ML 28072 Clay; S/045/006 Tooele Co.; Five Mile Pass Mine

Division records show that the above numbered lease was cancelled by the state for non-payment on March 16, 1991, as to the following described lands within the Five Mile Pass Mine.

T6S, R3W, SLB&M. Tooele County
S32: Lot 10, N $\frac{1}{2}$ SW $\frac{1}{4}$, SE $\frac{1}{4}$ SW $\frac{1}{4}$, SW $\frac{1}{4}$ SE $\frac{1}{4}$

Cancellation of the lease means that Interstate Brick Company no longer has a right to mine the lands and all surface disturbances must be reclaimed. The division has no record of any mined land reclamation of these lands by Interstate Brick Company.

Please provide me with an explanation or with information regarding this matter. Thank you for your assistance.

Sincerely,

JOHN T. BLAKE
